Nurse

SFE is an NGO that has been active in southern Laos since 1998. SFE implements development projects close to the field, in order to meet the real needs of the most vulnerable people and communities. SFE works in the area of community health, nutrition, water and sanitation, agroecology and social inclusion. It provides support in collaboration with local partners who share its values.

Your Mission: supervising and training teams of community health workers

Your responsibilities:

- Training and monitoring medical teams in hospitals, health centers and village health volunteers on primary health care issues.
- Ensure the technical, medical and pedagogical quality of the medical teams' work.
- Ensure that the project's community activities run smoothly.
- Participate in the administrative, financial and operational management of the project.
- Support the project manager in writing reports to donors.
- Maintain good relations with local partners and SFE teams.
- Adhere to SFE values

Your Skills:

- Degree in nursing with a minimum of 3 years' professional experience.
- Ability to share medical knowledge in a straightforward and educational manner.
- Ability to take responsibility, work in a team and independently, lead work groups.
- Flexible and able to live in simple conditions.
- Perfect command of written and spoken French and English.
- Several years' experience in project management in NGOs or associations in the international development sector.
- Solid foundation in the christian evangelical faith

Position: minimum 3-year initial commitment, full-time.

Volunteer position. Active participation in finding its own financial support is required.

Place of work: Sekong Province, Laos

Recruitment process:

Full applications with CV and covering letter should be sent to france@sfe-laos.org.

Applications will be assessed on an ongoing basis, and successful candidates will be contacted for an initial interview.
